President's Message

Hello, my fellow Civitans. I hope you are enjoying this lovely spring weather. We are so excited about the great things that are happening in Civitan, locally. We were happy to team up with the Greenville Civitan Club to work with the Special Olympics. This was a very rewarding experience for me, personally. We spent time with the Generation Group Home, last month. There are so many possibilities for us, as a club, to make a positive impact on the lives of those young boys. Our project chair and his committee are looking at ways to can get involved. I am so very proud of our involvement with the March of Dimes. We exceeded our goal of donating \$1,000.00. We also have ten members who will be taking part in the March of Dimes walk on this Saturday. As we move forward in the months to come, let is not become weary in our well doing. I have to remind myself that we have only been a club for a year. I am still humbled to serve as your President. I know we still have much more to accomplish before my tenure ends. With the time I have remaining, I would like to focus our club's recruitment. We need to bring in more members to help share the load. I want to remind each of you to try to do your best to work with our ongoing projects. I need each of you to try to bring a guest to our May 18, meeting. We want to make this a special meeting. Please invite your family and friends to join Civitan. I need you to bring your ideas to our meeting on Thursday.
