President's Message

I would like to take a moment to wish each of you the best for this new year. We are very proud of the work we are doing in our Mauldin Civitan Club. When we look back over 2019, we can all take pride in the many things we were able to accomplish. I know this year will be even greater, if we remain true to our mission. I want each of us to continue to make our club strong. We all share a Servant's Heart with a desire to help others.

As your President, I do have one Major concern. We need persons to step up to take on leadership roles in our club. We will have elections in May. We need people to fill the positions of President and President Elect. I know that you don't want to see the club fold. Please ask yourselves, "If not me, then who will?"

We will have Keir Kitching of the Culture Center to come and speak with our club this Thursday. We will learn about all the wonderful things happening at the center. Please do your very best to attend this week. We do need you to confirm for the head count for our food.

We are looking forward to a successful Clergy Day. The committee is hard at work planning an amazing day. We have sent out 42 invitation letters. Hopefully, we will get a positive reply. You will hear more about this at our next meeting.

By the end of March, I will be pressing the Board to complete the paper Work to get our 501 C 3 application started. We are planning a special Education project for March. We will be calling on each of you to help with this endeavor.

Again, thanks you for your generosity. We are fortunate to have each of you as a member of Civitan. Your support has truly made a direct impact in the lives of those we serve.

Kind regards for a blessed year,

Jimmy DuRante

Happy Birthday!
