## *President's Message*

Thank you so much for electing me to lead our great club for the next two years. I will try to lead in a manner befitting the Mauldin Civitan Club's high standards and reputation. I appreciate the support given so far as I will definitely need your guidance. We will continue working to build our club membership and to get out to serve our community as much as we can with Covid restrictions. Our Planning Committee met and planned a year of Service, Knowledge, and Fellowship. Our first service project is coming up in November. A big thank you to Belita for organizing this project with Harvest Hope Food Bank.

I realize I have big shoes to fill. Jimmy did a great job leading our club for the last two years and as the first President of Mauldin Civitan Club. I thank him for all of his hard work to keep our Mauldin Club moving forward in difficult times and with his own health concerns. I appreciate his support and guidance.

We need all of our members working together to fulfill the mission our club as Civitans. All thoughts, ideas, and concerns are appreciated. As our Creed states: MY HANDS do the work of the world and reach out in service to others.

Suzi Knebusch.

President
